

# WAKEFIELD AMBULANCE ASSOCIATION

Dear Neighbor,

Our 2018 Membership Drive is now underway! As the designated 911 service provider for our community, we provide high-quality emergency medical services to the citizens of Fulton, Little Britain, Drumore and East Drumore townships. We also serve the community through various outreach activities such as Good Neighbor Checks, CPR classes, and the Vial of Life program.

This year, we are excited to announce that Wakefield Ambulance has upgraded our license to the Intermediate Advanced Life Support (IALS) level. This upgrade now allows our advanced providers to administer additional life-saving medications and therapies, such as epinephrine, dextrose, glucagon, CPAP, IV fluids, and 12-lead EKG's Wakefield is proud to be one of the first IALS units in the entire Commonwealth of Pennsylvania!
